

DFA CHARTS

Data at your fingertips,
Insights in an instant.

Seamless access to your data.
Anywhere. Anytime.

ZERO LEARNING CURVE

Download the app and use it instantly with no training needed.

ENTIRE DATASET ON YOUR PHONE

Travel anywhere with your data sets in your phone. Open your app and immediately find your insights.

EASY DATA SELECTIONS

User-friendly data selection screens that allow you to customise your data views.

RICH VISUALISATIONS

View your data using cutting-edge visualisations that help your data tell its story.

WORKS WITH / WITHOUT INTERNET

You need internet to download the app, however you can query your data and generate visualisations without internet.

SEAMLESS DATA UPDATES

Whenever the datawarehouse is updated, you can seamlessly download the updates to your phone.
